

NEW LOOK

essence

SHINE LAST
& GO!
gel polish

- dream nails in a NEW LOOK!
- 50 shades
- quick drying formula
- high shine colour
- unbelievably long-lasting
- vegan friendly

essence cosmetics introduce a fresh new look and feel. A beauty favourite for over 15 years, essence as a brand has grown up! Although still fun and playful, the focus is on cosmetic ranges that feature innovative and performance based products. The perfect way to introduce this new brand look is with the launch of an exciting new and improved collection of gel nail polish – shine last & go!

The new formula with a gel-effect ensures optimal durability, intensive colour, and an amazing shine. Available in a spectrum of 50 highly pigmented and colourful shades, these vegan friendly polishes have a gel shine finish and dry even faster than the original gel nail polish range.

Priced at €1.95 available from Penneys and selected pharmacies nationwide from February 18th.
